

REFERRALS - GENERAL TERMS

If you think that any of your family or friends could benefit from our mobile plans, we would love you to let them know about us!

Better Life Mobile also runs a number of referral campaigns for our existing customers throughout the year on an 'invitation only' basis. So make sure you check your emails for special offers and referral campaigns!

General Terms for Referral Campaigns:

- Only eligible if you are an existing customer (not business/corporate accounts) who received a special offer email sent to you directly from us.
- You can't refer yourself or pay for the new referred service yourself. Any attempt to fraudulently open another account, or apply for a new service will result in possible suspension of service and prosecution.
- You can't refer existing or past customers of Better Life Mobile.
- Free month credits awarded once the new customer has paid for their first month in full and activated their service. Offers expire and all sign ups AND activations must be completed within the dates specified in your invitation email.
- Any offers and credits are strictly NOT retrospective and the campaign dates strictly apply.
- Referral rewards and credits awarded for online sign-ups only via our website.
- Free month credits and rewards will be applied to your account on the date specified in your referral email and not before.
- All referrers with eligible referrals will be notified by email on the specified notification date.
- A referral is eligible for multiple activated plans. So 1 referred customer who signs up and activates multiple services, will constitute multiple credits/rewards. For example, if someone you referred, signs up and activates 4 services in accordance with the other terms, you will receive 4 credits/awards for that one referral!
- Please do not spam or send unsolicited emails – these campaigns are designed to help you to help your friends and family! Any spam, fraudulent, illegal and/ or unsolicited communications regarding our referral campaigns will render you ineligible and you will be banned from participating in all future campaigns.

Offers are not retrospective. Dates stated strictly apply.
